I am a 4<sup>th</sup> grade teacher at a private, Catholic school in Chicago. I teach math, language arts, social studies, and religion I have my BS from the University of Dayton and recently earned my masters degree in Religious Education from Loyola University Chicago. I have been a teacher-author on Teachers Pay Teachers since 2013, and have truly enjoyed every minute of it! In 2017 I had the honor of representing the Iditarod Sled Dog Race as the 2017 Iditarod Teacher on the Trail. I have created dozens of \*free\* lessons which you can access by visiting [www.iditarod.com/edu](http://www.iditarod.com/edu). I am also a National Geographic Certified Educator.

Besides teaching 4<sup>th</sup> grade, I also run an after school Irish dance program and coordinate many religious celebrations for my school. I also LOVE to run and have completed ten marathons. And I try and explore the National Parks whenever I get a chance! My top three parks are Wrangell-St. Elias, Wind Cave, and Grand Teton.

# Set Up Instructions

This is the perfect bulletin board set for the month of June and beginning of summer. Students will write 5 ways they will follow God this summer.

Below I have outlined how to best set up your bulletin board.

- I have only included one size of each part of the board. If you need to print smaller (or larger), use the % on your copy machine.
- I've included PNGs you can use with your Cricut for the letters.

Print the sun on yellow and orange paper

Print letters on bright paper and cut out (or use the Cricut file)

Have each student color and cut out a hand (they can also trace and color their own hand)

\*If students trace their own hand, have them cut and glue the phrase "I will follow God this summer by..." onto their hand.

Have students write 5 ways they can follow God this summer
